

Opposition Letter for H7557

(Rhode Island Firearm Industry Accountability Act)

Wednesday April 8, 2026

House Judiciary Committee
Rhode Island State House
82 Smith Street Providence, RI 02903

Dear Chair and Members of the House Judiciary Committee:

I am a law-abiding Rhode Island citizen and strong Second Amendment supporter. I urge you to **reject H7557**, the so-called Rhode Island Firearm Industry Accountability Act.

This bill would expose firearm manufacturers, distributors, and retailers to expensive lawsuits for failing to implement vague “reasonable controls.” In reality, it is designed to drive up costs, reduce availability, and potentially bankrupt legitimate businesses through litigation. Law-abiding citizens like me will pay the price with higher gun and ammo costs, while criminals continue obtaining firearms through illegal channels.

Criminals do not buy from licensed dealers who follow the law. Please vote **NO** on H7557 and protect lawful commerce for responsible gun owners.

Thank you for your time and service.

Sincerely,

Pyara Meyer
