Dear Members of the House Judiciary Committee,

I urge you to oppose House Bill H7636, the Voluntary Firearm Restrictions Act.

This bill builds a state-run registry of gun owners who have surrendered their rights and allows healthcare providers to initiate enrollment on a patient's behalf. The result will be a chilling effect on mental health care: gun owners in crisis will avoid seeking help out of fear that their doctor will put them on a government list.

The bill is presented as voluntary, but voluntary programs in this area quickly become coercive when employers, insurers, or courts treat non-enrollment as a red flag. Rhode Island does not need a new infrastructure for restricting gun rights.

I urge you to vote against H7636.

Respectfully,

Respectfully,
