Dear Members of the House Judiciary Committee,

I urge you to oppose House Bill H7754, which would eliminate Rhode Island's recognition of out-of-state concealed carry permits.

This bill removes the existing pathway for out-of-state permit holders to carry legally in Rhode Island, stripping rights from law-abiding gun owners who have already met the licensing requirements of their home state. Rhode Island should be moving toward more reciprocity, not less.

I urge you to vote against H7754.

Dear Members of the House Judiciary Committee,

I urge you to oppose House Bill H7754, which would eliminate Rhode Island's recognition of out-of-state concealed carry permits.

This bill removes the existing pathway for out-of-state permit holders to carry legally in Rhode Island, stripping rights from law-abiding gun owners who have already met the licensing requirements of their home state. Rhode Island should be moving toward more reciprocity, not less.

I urge you to vote against H7754.

Respectfully,

Dear Members of the House Judiciary Committee,

I urge you to oppose House Bill H7754, which would eliminate Rhode Island's recognition of out-of-state concealed carry permits. I live on the boarder and have family that reside in the state. I am frequently passing through Rhode island or visiting my sons. I am a ccl holder and to become a criminal just to pass through or visit my family is sad. That puts unneeded pressure on individuals

Respectfully,

Gregory Farrell
