Dear Members of the House Judiciary Committee,

I urge you to oppose House Bill H7754, which would eliminate Rhode Island's recognition of out-of-state concealed carry permits.

This bill removes the existing pathway for out-of-state permit holders to carry legally in Rhode Island, stripping rights from law-abiding gun owners who have already met the licensing requirements of their home state. Rhode Island should be moving toward more reciprocity, not less.

I urge you to vote against H7754.
