Dear Members of the House Judiciary Committee,

I urge you to oppose House Bill H7754, which would eliminate Rhode Island's recognition of out-of-state concealed carry permits.

This bill removes the existing pathway for out-of-state permit holders to carry legally in Rhode Island, stripping rights from law-abiding gun owners who have already met the licensing requirements of their home state. Rhode Island should be moving toward more reciprocity, not less.

I urge you to vote against H7754.

Respectfully,

BRIAN BALSOFIORE

Dear Members of the House Judiciary Committee,

I urge you to oppose House Bill H7754, which would eliminate Rhode Island's recognition of out-of-state concealed carry permits.

This bill removes the existing pathway for out-of-state permit holders to carry legally in Rhode Island, stripping rights from law-abiding gun owners who have already met the licensing requirements of their home state. Rhode Island should be moving toward more reciprocity, not less. Legal carry permits only provide for adequate self-protection and discourage other deadly threats. The mere fact that a lawful gun owner has taken the proper training and education along with the proficiency of actually using the firearm is sufficient enough to acknowledge reciprocity.

There are far more crucial issues for the legislature to take up their time with that affect many more constituents.

I will follow these bills before the committee along with your voting record and consider these factors for your re-election, fund raising and possible promotions.

I urge you to vote against H7754.
