House Committee on Judiciary  
State of Rhode Island General Assembly

Testimony Opposing: *H-7755*

Dear Members of the House Committee on Judiciary,

I am writing to ask that you please not pass this bill which will change the method of obtaining the safety certificate that a person must have in order to purchase a firearm. The current “blue card” insures that the person knows the basic firearm safety rules, and is very convenient to obtain. There is no need to make the process more difficult and time consuming.

Please vote against *H-7755*.

Thank you for your time.

Yours truly,

Emily Trott
