Dear Members of the House Judiciary Committee,

I urge you to oppose House Bill H7755, which would require all Rhode Island firearm purchasers to complete an 8-hour safety training course and pass a written test before buying any firearm, including rifles and shotguns.

This is a severe burden on law-abiding gun owners. The current 2-hour requirement already imposes a cost and time barrier. Quadrupling that requirement and extending it to long guns will make legal firearm purchases inaccessible for many Rhode Islanders, particularly those in rural areas or with limited schedules.

I urge you to vote against H7755.

Will criminals be required to attend so that when they murder unarmed citizens, they demonstrate safe muzzle discipline.
