To the Judiciary Committee Members,

My name is Michael Luciano of Cranston, RI. Please find my written testimony on H8069:

This bill would require Rhode Island shooting ranges to place a suicide-prevention/crisis-warning notice in shooting areas. I am opposed to this bill because it is a solution looking for a problem. I've been shooting on RI ranges for decades and I don't recall anyone taking their life on any of the ranges. What are the numbers? People take their own lives in automobiles, so should we require dealerships to post similar signs? Shooting ranges are places where families and friends go to enjoy the shooting sports.

I am OPPOSED to H8069

Thank you,

Michael Luciano
Cranston, RI
