Dear Members of the House Judiciary Committee,

I am writing to urge your support for H8070, which would allow students, professors, and other employees of Rhode Island's colleges and universities to carry a stun gun or pepper spray for self-defense.

Current law bans stun guns outright under the same statute that prohibits blackjacks and metal knuckles, with no exception for personal protection. H8070 corrects this by creating a common-sense self-defense carve-out for the campus community.

Please support H8070 and report it favorably from committee.

Respectfully,

John Bushee
