Dear House Representatives,

Im writing to ask that you reject H8071, H8073 and H8075. These bills are a violation of my second amendment rights and ONLY affect LAWFUL gun owners ad Criminals DON'T follow laws. This is obvious by the amount of time the police arrest a felony with a gun and we already have laws against felons from possessing guns. The issue is a Mental Health issue and we know nothing will get done about that because no money will be made in dealing with the root problem. How would people react of we treated Drunk Driving with the same lens you treat gun owners? What if you charge the driver, the bar, tha Alcohol company(jack Daniel's, Titos, Jim beam, ect. The are company of the vehicle driven, the tire company of the tires on the vehicle? No, you leave the blame EXACTLY where it belongs, with the drunk driver. You should treat crimes with guns the same, blame the person not the vehicle used. Thank you for your time and attention.

Respectfully,
Joe Refino II
