To the Judiciary Committee Members,

**My name is Michael Luciano of Cranston, RI. Please find my written testimony on H8071:**

This bill would require the lawful sale of ammunition or components without a background check. This is another solution, looking for a problem and it serves no purpose. You need a firearm to use ammunition, and it is already against the law for restricted individuals to purchase or possess a firearm. **The only thing this bill will do if passed into law, is hurt RI businesses** by slowing the process of purchasing ammunition for lawful purposes. It will also discourage shooting sports participation by lawful citizens.

**I am OPPOSED to H8071**

Thank you,

**Michael Luciano**
