My last E-Mail contained my thought's on 4 bill's that are going to be heard on 4-8-2026, H-7035, H-7557, H-8071, and H-8073. The above bill is the most concerning to me as well as most if not all "Legal" firearms owners. As I explained in my last E-Mail, it is by far completely unconstitutional and it is well into violating Heller and Bruen. One other thing I forgot to mention is the fact that this state has so many bills making most every other form of self defense illegal. under 11-47-42 there is a list of prohibited items that people cannot carry for self defense. With all these bills being put up, you, our elected representatives are making us completely vulnerable to violent crime with no way to defend ourselves. Hope you are happy to create this totalitarian way of life for your subjects.
