Dear Members of the House Judiciary Committee,

I am Anthony Ficazzola, a resident of East Greenwich, and I am writing to respectfully urge you to oppose H8073.

My opposition to this bill is personal. I plan to own land in an area where emergency response times may be longer and where individuals bear greater responsibility for the safety of their families. I believe law-abiding citizens should retain the ability to effectively protect themselves and their families from serious threats.

The right to keep and bear arms is protected by the Second Amendment, and is part of the foundation of the American identity.

I respectfully ask that you oppose H8073, oppose any effort to advance it.

Thank you for your time, your service to Rhode Island, and your consideration of my views. I look forward to hearing your position on this legislation.

Sincerely,

Anthony Ficazzola
