House Committee on Judiciary  
State of Rhode Island General Assembly

Testimony Opposing: *H-8073*

Dear Members of the House Committee on Judiciary,

I am writing you today to ask that you please vote against *Bill H-8073*, which I believe is not only an unfair bill but a duplicitous one as well.

Last year the General Assembly made a compromise that though new purchases of “prohibited firearms” were being banned, current owners would be able to keep the ones they owned. Now, less than a year later, this bill has been submitted to go back on that compromise and if passed will deny those owners what they were promised. I think that is a very underhanded thing to do.

Please vote against *Bill H-8073*.

Thank you for your time.

Yours truly,

Emily Trott
