This is the type of legislation that allows the MAGA-types to point at RI and say "see what is happening there" and it empowers them to do equally unreasonable things to our freedoms.

I strongly urge you to oppose House Bill H8073 and defend the rights of law-abiding Rhode Islanders.

This legislation would force Rhode Islanders to surrender justly acquired private property under threat of criminal penalties. That is an unacceptable infringement on fundamental rights.

Reject H8073.

Respectfully,
