Dear Members of the Judiciary Committee,

I strongly urge you to oppose House Bill H8073 and defend the rights of law-abiding Rhode Islanders.

This legislation would force Rhode Islanders to surrender justly acquired private property under threat of criminal penalties. That is an unacceptable infringement on fundamental rights.

Reject H8073.

I am the owner and operator of Balsofiore & Company Ltd (B&Co). B&Co offers financial investigations, both criminal and civil. I am a Forensic Accountant, Certified Fraud Examiner, Tax Professional and a Rhode Island Licensed Private Detective.

I have 20 years of service as a Special Police Officer in the City of East Providence and served six years in the Rhode Island Air National Guard during the Viet Nam War. I am a member and range officer at the Manville Sportsman's Rod and Gun Club.

I think this bill is outrageous - the STATE unlawfully and unconstitutionally taking away our presently legally acquired and legally owned firearms.

This bill makes me wonder and be seriously concerned about what the STATE will decide in its infinite wisdom to take away from us next!

Respectfully,

BRIAN BALSOFIORE

Please vote against House bill H8073. It would make RI Islanders who broke no gun laws suddenly criminally liable for having previously purchased a gun, during a time when such an action was not against the law. It would also infringe on constitutional right to own guns.
