Dear Members of the Judiciary Committee,

I strongly urge you to oppose House Bill H8073 and defend the rights of law-abiding Rhode Islanders.

This legislation would force Rhode Islanders to surrender justly acquired private property under threat of criminal penalties. That is an unacceptable infringement on fundamental rights. This is completely unacceptable for any form of government to be able to infringe on my constitutional rights

Reject H8073.

Respectfully,

Justin Hanson

It turns law abiding citizens into criminals for owning something they have owned for years. It impacts sportsman, hunters, and sporting enthusiasts. Please oppose this bill, it will do little to curb gun violence in our state, yet will do a lot to harm the law abiding citizens that live within our beautiful state.
