Dear House Judiciary Member,

I am requesting you oppose H8073 RI's latest attempt to one-up Ole King George III at tyranny. It is very fitting that H8073 was put forth on the 250th anniversary of Lexington and Concord which was the result of Ole George doing exactly the same thing being done here, for those of you that missed that history lesson. I am not surprised in the least that this was put forth now that our country is under attack by sleeper cells that the last administration let in, along with the hoards of illegal immigrant that hate this country and have no intention of assimilating here. Part of a larger plan as I see it. No surprised here at all and the ones who put this legislation forth last year had to lie to get the initial bill passed. In my opinion the legislators who put this stuff forth hate this country and are looking to make it less safe not more by assisting our enemies foreign and domestic!

Sincerely,

Glen Ritchotte
