Dear Representative McEntee

As a fellow resident of Rhode Island, I strongly urge you to vote NO on H.8073 (Assault Weapons Possession).

I have serious concerns over this Bill which will remove the “grandfather clause” that allowed law abiding gun owners to keep the firearms addressed in this bill.

I can see no valid reason to change an existing law that was passed by the Legislature in 2025 and that it will do nothing to improve public safety.

Again, I ask that you please vote "NO" on H. 8073.

Thank you

Sincerely,

Joseph Chrostowski
