To the Judiciary Committee Members,

My name is Michael Luciano of Cranston, RI. Please find my written testimony on H8073:

This act would restrict the possession of prohibited firearms. If this bill passes into law, it automatically turns thousands of lawful citizens into felons when the so-called “assault weapons” ban becomes law later this year. Rhode Island doesn’t have a problem with rifles another other firearms, but we do have problems in urban areas with unlawful gang activity and now the General Assembly believes that turning lawful citizens into felons will prevent it. This is an unfair bill that will punish good people for possessing items that they have used lawfully for decades.

I am OPPOSED to H8073

Thank you,
Michael Luciano
