Subject: I oppose Gun bills H8073 and others

To whom it may concern,

I wish to express my deep opposition to any and all of the latest 2nd amendment violating gun legislation put forth by Tanzi, Caldwell, Boylan and others.

The extremely unconstitutional bills violate both the RI and U.S. constitutions.

I'm currently out of state and would voice my disgust in person if I was able.

We will gather together to use our voices and votes to change our representation.

Thank you
