Dear Members of the Judiciary Committee,

I strongly urge you to oppose House Bill H8073 and defend the rights of law-abiding Rhode Islanders.

This legislation would force Rhode Islanders to surrender justly acquired private property under threat of criminal penalties. That is an unacceptable infringement on fundamental rights. And will only make it easier for criminals who don't follow laws to use or obtain firearms for the incorrect purposes, and make law-abiding responsible owners unable to protect their families and use them recreationally or for hunting as intended.

Reject H8073.

Respectfully,
Robert Paglia Jr.
