Dear Members of the Finance Committee,

I strongly urge you to oppose House Bill H8075 and defend the rights of law-abiding Rhode Islanders.

This legislation would require every firearm owner to carry a \$1,000,000 liability insurance policy or lose all ownership rights immediately. This unconstitutional burden would effectively price law-abiding gun owners out of their Second Amendment rights.

Reject H8075.

Respectfully,

Steven Bogue

Dear Members of the Finance Committee,

I strongly urge you to oppose House Bill H8075 and defend the rights of law-abiding Rhode Islanders.

I'm pretty sure such insurance policies do not exist. I tried to find one online, they just aren't being offered. Any impracticable restriction on a fundamental right is unconstitutional. Citizens cannot possibly obtain insurance policies that don't exist.

This legislation would require every firearm owner to carry a \$1,000,000 liability insurance policy or lose all ownership rights immediately. This unconstitutional burden would effectively price law-abiding gun owners out of their Second Amendment rights.

Reject H8075.

Respectfully,

JASON STEDMAN
