Dear Members of the Finance Committee,

I strongly urge you to oppose House Bill H8075 and defend the rights of law-abiding Rhode Islanders.

This legislation would require every firearm owner to carry a \$1,000,000 liability insurance policy or lose all ownership rights immediately. This unconstitutional burden would effectively price law-abiding gun owners out of their Second Amendment rights.

Reject H8075.

Respectfully,

John Bushee

Dear Members of the Finance Committee,

I DEMAND you to oppose House Bill H8075 and defend the rights of law-abiding Rhode Islanders.

This legislation would require every firearm owner to carry a \$1,000,000 liability insurance policy or lose all ownership rights immediately. This unconstitutional burden would effectively price law-abiding gun owners out of their Second Amendment rights.

You cannot legislate responsibility for individuals. Using this bill's logic process, cars and drivers that kill more people than guns each year would be required to have the same punitive amount for liability insurance with severe penalties for non-compliance.

There are far more crucial issues for the legislature to take up their time with that affect many more constituents.

I will follow these bills before the committee along with your voting record and consider these factors for your re-election, fund raising and possible promotions.

Reject H8075.

Respectfully,

Insurance companies will raise the cost until every day Rhode Islanders can't afford to protect themselves. This is basically a tax on gun ownership at the end of the day and greedy insurance companies will have a field day if this insurance is required by law.
