Dear House Judiciary Committee,

I am writing in support of HB8328. This bill will greatly increase the quality of life of all Rhode Islanders. Being able to conduct remote hearings will not only benefit our Immigrant population but it will also help families, disabled individuals, and those with transportation issues. This will in turn support the court to be more efficient in time and expenses related to an expected decrease in the need to reschedule appointments. Overall, I hope we will move forward with HB8328 as it will be beneficial to all Rhode Islanders.

Best,
Cal Loiselle
