Subject: Strongly Urge to vote no on H 7079

Good afternoon,

I would urge you to vote "NO" on H 7079 on the grounds that felony offences are some of the most grievous attacks against a law abiding public. When we simply turn a blind eye to the ever increasing crime in Rhode Island and wipe the slate clean, we are propagating an environment where habitual offenders get the same chances at life, liberty, and happiness as our tax paying, lawful citizens.

Certain rights returning to habitual felons is a dangerous gamble, and it leaves the citizenry to wonder what the end game of those legislators that drafted it is.

Please vote "No" on H 7079.

Thank you,
Walt Robillard
Cranston.
