Dear Honorable Members of the House Judiciary Committee,

My name is Amy Crawford and I am a resident of South Kingstown. I'm writing to urge the House Judiciary Committee to pass BAIL ON 32 (H7651) without further delay.

You are aware of the facts that show how the current probation system causes so much harm to people who have an opportunity to improve their lives. This bill separates the minor offenses from the serious ones and will make our system one that actually helps people become better and less costly citizens.

Please pass this bill out of committee and come to the floor for a fair vote.

Thank you,
Amy Crawford
