To Whom It May Concern

This is Adele Laudone from Westerly RI. I want you to know that I oppose efforts to legalize assisted suicide in Rhode Island. I'm hoping you feel the same as me and are against H7760 and any other similar effort. I feel that it puts added pressure on the victim as he/she feels they have become a burden to their family. Also, it is against the 6th commandment-thou shall not kill. We are not God and shouldn't be making these kinds of decisions. Please oppose this bill. Thank you.
