Hello,

My name is David Lelli and I live in the town of Richmond, Rhode Island. I am asking you today to please vote against bill H7760 "Compassionate Care Act" and any other bills that support assisted suicide. I believe that as living beings we are meant to seek understanding, meaning and truth in all life's experiences from birth to natural death. Assisted suicide cuts short life that we were given. It is not compassion because there is unfinished business until we are called out of life naturally and not of our own accord or anyone else's. I hope you will consider these points and vote against bill H7760 and any other bills like it.

Thank you,
David A. Lelli
