Honorable House Judiciary Committee Members:

I am a resident of South Kingstown, RI and I urge you to oppose the passage of H 7760 Lila Manfield Sapinsley Compassion Care Act.

I read the bill and as an attorney in the practice of estate planning and estate administration law for almost 50 years I have witnessed many folks with varying degrees of mental infirmity and I have witnessed that Hospice care is much more suitable to the terminal condition than the process being considered for legalization that in reality is legalized "suicide" and legalized "assisted suicide".

Inserting words at the end of the bill to declare the process is not "suicide" and not "assisted suicide" is dishonest.

Please VOTE AGAINST THIS BILL
