Chair Hagan McEntee and Members of the House Judiciary Committee,

As a Rhode Island resident, I support the Lila Manfield Sapinsley Compassionate Care Act (H7760).

[Add your testimony

I have advanced metastatic breast cancer . The thought of my final days in hospice after being removed from IV is horrifying. I think of this, I fear this, every day. I will literally be dying from dehydration. For up to 2 weeks my loved ones will sit there watching me die of thirst - dehydration.

It's Inhumane.

We treat our animals better.

PLEASE vote for this bill. This Humane choice.

Put yourself in My shoes. Empathize

Thank you for your time and consideration,

Jackie Rouleau McGrath
