Dear representative,

My name is Jean Garofano and I live in Exeter Rhode Island. This compassionate care act that is coming up H 7760, I am opposed to. As a nurse that has worked for about 30 years, mostly in Rhode Island. I can tell you the hospice care is wonderful, and physicians are very in tune to the terminally ill and their families.

This bill can be abused easily, and puts physicians in our healthcare system in a very bad morally and ethically place to be.

I respectfully ask that you do not approve any such Bill as this one. This is a can of worms you do not want to open.

Respectfully,

Jean Garofano.
