To Whom It May Concern:

My name is Jo-Ann Larivee. I reside in Woonsocket, RI.

I oppose the legalization of assisted suicide in RI. The potential misuse of this proposed legislation, as a cost/time saving measure, is enormous. You will be leaving the most vulnerable and defenseless of your constituents in danger of possible abuse of this proposed law. The role of a doctor is to heal and alleviate suffering, not to hasten death. Instead of offering assisted suicide we should focus on improving pain management, mental health support, and end of life care to ensure that every person receives the dignity and comfort they deserve.

I oppose efforts to legalize assisted suicide in Rhode Island. Please vote against H7760 and any other similar efforts.

Sincerely,  
Jo-Ann Larivee
