Dear Chair Hagan McEntee and Member of the House Judiciary Committee,

I am writing to provide written testimony of support for the Lila Manfield Sapinsley Compassionate Care Act (H 7760).

H 7760 would allow certain eligible individuals to legally request and obtain medications from their physician to end their life in a peaceful, humane and dignified manner. I believe it is time that Rhode Island took action to codify end of life options. This process is well tested by the state of Oregon and already an option in 13 states and D.C., including other New England states. I hope tonight is the night that the Judiciary committee passes it on to the floor.

Thank you for your consideration.
