Hello,

My name is Kathleen Augaitis from Greene. I am writing to let you know that I sincerely oppose H7760. I appreciate you giving the bill a thorough vetting. I have family in Canada....one of them is going through testing for Alzheimer's. I pray that they do not jump the gun and end their life. I read that approximately 15,000 people took advantage of the MAID law in 2023. I just can't help but think that some of them may have survived. There was an article where an 84 year old woman with a broken ankle refused it. She recuperated and is back riding her bike. Please, please let nature take its course.

Thank you for your time and consideration.

Kathleen Augaitis
