H7760-OPPOSITION

Dear Public Representatives,

I am Laura Logan from Middletown, R.I.

I vehemently oppose the legalization of assisted suicide in our state. Please, please, please vote against H7760 and any other efforts that would allow this heinous act. In our human dignity, we do not choose our birth, nor should we choose our death in the natural order.

It is unsafe and morally dangerous to legalize this killing. I have been a hospice volunteer. I have sat with the dying and have loved them to the end. Even in places of death, there can be comfort, love and even joy. When you get close enough, you can have the honor of accompanying someone in the final journey.

Do not vote to allow this bill to kill, I beg.

Warmly,  
Laura Logan
