My name is Margaret Martira and I am a lifelong Rhode Island resident and I reside in the City of Warwick. I am writing to you today because I am aware that the Rhode Island House Judiciary committee will be hearing a bill that seeks to legalize Assisted Suicide in Rhode Island under compassionate care this Thursday, April 30th. Again, I want to reiterate that suicide is a terrible act and we as a state have worked hard to protect those who are vulnerable to this tragedy. I am asking you to OPPOSE efforts to legalize assisted suicide. Please vote against H7760 and any other similar efforts brought before you. If you open this door, we will be going down a very slippery slope. We need to let those who are vulnerable know that their life has dignity and purpose and do all that we can to help them through this difficult time. Thank you for your time and attention to this very important matter.
