Good morning,

My name is Paul Michael and I am a resident of Lincoln RI.

I am extremely opposed to the efforts to legalize assisted suicide in Rhode Island. I very thoughtfully ask you to vote against H7760 and any other similar effort. It is completely immoral and goes against everything we believe in as a society to be involved in any way, shape or form assisting suicide. We should be striving to provide necessary services to people suffering in this way rather than help them end their own life.

This is the downfall of a decent and humane society and we are all better than that. Our very own Constitution upholds Life, Liberty and the Pursuit of Happiness. Life is God's gift to us and we cannot and should not be taking it away from anyone else.

I appreciate your urgent attention to this matter and pray that you will vote against H7760 and any other similar efforts.

Thank you,

Paul Michael
