To the House Judiciary Committee Members,

My name is Peter Brodeur and I live at

20 Spring Street, Westerly RI 02891

Phone : 401-596-3443

I am contacting you to let you know of my strong opposition to the bill that seeks to legalize Assisted Suicide in Rhode Island, the so-called "Lila Manfield Sapinsley Compassionate Care Act" (2026-H7760).

Such a bill would justify the direct killing of innocent human beings (i.e. murder) which is a violation against the natural law. Natural Law has been instituted by God and can be know by all human beings because we have an intellegence which allows us to know that law. In

general our laws in the US have always held this direct killing to be illegal which is in accordance with this natural law.

Please do not approve of this Assisted Suicide Law as this will facilitate the killing of any undesirables among us. "Whether or not the individuals to be killed desire to die is irrelevant. A society that claims to be rational and civilized should never consent to the killing of innocent defenseless human life.

Thank You for your attention to this matter.

Respectfully,

Peter Brodeur
