You don't often get email from libkay@verizon.net. [Learn why this is important](#)

To whom it may concern:

The so called "Lila Manfield Sapinsely Compassionate Care Act" is neither "compassionate" nor "care" and should be rejected by all civilized people. Physician assisted suicide is nothing more than eugenics wrapped in gentler sounding language which is why disability rights groups, among others, stand in opposition.

Please examine your consciences and reject this barbarous practice so Rhode Island lives up to its motto...."Hope".

Respectfully,

Robert E. Merrill
