Hello,

I am Thomas Short, a long time resident of Rhode Island and resident of Cranston RI.

I am writing to you to ask you to vote against H7760 and any other similar legislation to legalize assisted suicide.

The dangers to the living who feel pressured to procure assisted suicide and the aftereffects for those who do procure suicide are not calculable.

We have soldiers and other first responders who are affected with PTSD after witnessing or being involved in the loss of life for fellow soldiers, officers and civilians whom they may or may not know in spite of the training they have received. The effects of making the decision to end the life of a loved one will create an enormous mental health crisis and family destructive effects for the loved one's family.

The pain of the loss of a loved one is extremely difficult in any circumstance, please don't add to a families' grief with the effects of this bill!!

God Bless you!

Sincerely  
Thomas Short
