Hi

My name is Christopher Leaman and I ask that you pass assault bill HB-8432

I am a railroad conductor of 20yrs presently working for Keolis commuter services.

I have been personally assaulted by passengers over my career and think if this bill was passed it would deter passengers from becoming violent towards conductors and assistant conductors. At this time unfortunately there is no consequences and that in itself puts all of us at risk. If this bill is passed I believe the safety of railroad workers would and should become prioritized.

Thank you ,
Christopher Leaman
