Dear Judiciary Committee

I am a Rhode Island resident, living in North Smithfield Rhode Island and I also own a business in Rhode Island. I am in favor of passing the proposed bill H 5188- to ban Animal Fur sales in Rhode Island. I've seen video of what is done to those helpless animals and it is horrific and barbaric. There is absolutely no justification for that type of cruelty. It would make me proud to live in a state that says "NO" to animal cruelty.

Thank you for allowing me to voice my opinion and testimony.

Respectfully,
