Re: Testimony in Support of H-7968

Dear Chairperson Corvese and members of the House Labor Committee:

My name is Laura Sadovnikoff. I am a resident of Warwick, RI and work at Beautiful Day, a non-profit in Providence..

I raised three children in Rhode Island and lived through the struggles of lost income while managing day to day life. I am now a grandparent and am helping as much as possible (while still working) as my children struggle with the same issues. Rhode Island is such a great place to live for many reasons, but we need to make it better for families!

I urge you to vote in favor of bill H-7968.

Thank you for your time and the opportunity.

Sincerely,
