

Hello,

My name is Kenneth Atkinson and I am the 2nd shift EVS supervisor at Landmark Hospital. I am writing to express that I am in favor of House Bill 7772.

Healthcare workers work a lot of overtime and dedicate their lives to working in Healthcare. We are only offered 7 Holidays. Throw in you have to work every other one you only have 3 holidays a year off. Healthcare workers need to get away from work once in awhile to recharge and take a break. It is unhealthy. Please consider sending House Bill 7772 to floor for a full vote. Healthcare workers deserve all 12 holidays off with pay or if they have to work should be compensated time and a half.

Thank you

Kenneth Atkinson
