

Good Evening,

I am a current resident of Narragansett, RI and have been enrolled at the University of Rhode Island for almost 3 years now. As a college student, the ability to live with more than 2 roommates offers me more financial stability and allows me to apply for more housing opportunities. This bill will reduce the current limits on renting in cities and towns across the state and will have a positive effect on the housing crisis in Rhode Island. It will also provide badly needed housing for URI students. The housing situation for students is not ideal right now, but with your help it could get better. Not just for college students, but for the entirety of Narragansett as whole. Thank you for your time.

Sincerely,

Jill Smith

Junior Biological Sciences Student at the University of Rhode Island
