Subject: VIN fee waiver Bill 5081

I am in full support of the VIN fee waiver bill.
This bill would waive the fees for vehicle identification number inspections for veterans, including active duty military personnel and members of the National Guard and military reserves.

I would like this bill to be extended to include SURVIVING SPOUSES of veterans. Many long time Veterans have passed and have surviving spouse left behind on a fixed income. Many are just barely making ends meet. Please consider. Thank you
