House Committee on Municipal Government and Housing

To whom it may concern:

I am writing to express my support for HB 5704--"An Act Relating To Health And Safety -- Pesticide Control." I am concerned that the current use of anticoagulants as pesticides is damaging the raptor population.

Sincerely,

A handwritten signature in dark ink, appearing to read "Thomas A. Krahn". The signature is fluid and cursive, with a long horizontal stroke at the end.

Thomas A. Krahn, M.D.
