

To Whom it May Concern,

My name is Alison Boyd, and I've owned my single family home since 1999. In recent years, my home evaluation from the city has become grossly inflated, and now Major Smiley is going to punish homeowners more by raising taxes, all while city services are being diminished and now there are fees for them?

My street has awful sidewalks for decades with no help from the city. Our trash is often missed.

People in the Mount Pleasant area are working class homeowners. Is Major Smiley trying to run us out of his city by raising taxes?

Try taxing universities and corporations a little, not hard working families in your city.

It's awful.

Please vote against House Bill 6162. Do not allow Major Smiley to raise taxes on homeowners.

Thank you.
