

Hello,

I am writing in regards to House Bill 6162 which will be heard later this afternoon. In reading the bill (chrome-extension://efaidnbmnnnibpcajpcgicfindmkaj/<https://webserver.rilegislatore.gov/BillText/BillText25/HouseText25/H6162.pdf>), I notice that there is no distinction between residential and commercial property. I would be in favor of this bill if the one time levy cap included both commercial and residential properties. I understand there is a limit to each so wonder if clarification can be given regarding this.

Thank you.
